PRESS RELEASE

CONSUMERS WARNED ABOUT UNAUTHORIZED HOME DNA TEST KITS

It has been brought to the attention of the Pharmacy and Poisons Board's (PPB) that unauthorized Home DNA Test Kits are being marketed on digital platforms for retail in the Kenyan market.

Please note that the PPB has **NOT** authorized any retailer to sell such Kits and hereby appeal to the public to be on the lookout for retailers marketing these Kits.

A list of authorized medical devices can be obtained at https://products.pharmacyboardkenya.org/ppb_admin/pages/public_view_md_retained.php

Consumers are encouraged to report to the PPB in case they come across any retailer selling related products via info@pharmacyboardkenya.org
