82172	09/2022	08/2025	100's
82173	09/2022	08/2025	100's
82174	09/2022	08/2025	100's

Brief description of the problem

Laboratory & Allied Limited is recalling batches; 79887, 82172, 82173, and 82174 of Chlorpromazine 100mg tablets following market complaints of cracking of tablets along the circumference almost separating into two halves.

Action for healthcare professionals

Quarantine all remaining stock and stop further distribution, sale, issuing, or use of batches **79887, 82172, 82173,** and **82174** immediately and contact Laboratory and Allied Limited Ltd to arrange return.

Action for patients and caregivers

No further action is required by patients as this is a Retail/hospital Pharmacy and Wholesaler/Distributor level recall. Patients should continue to take medicines from other batches of this product other than the impacted batches and as prescribed by your healthcare professional.
